*10/10 Maritime History Lecture*

[Naval Aviation in Southeast Asia/ The Vietnam War](#)

with Capt. T.J. Brown, Jr.

Thursday, October 10th at 7pm

The Vietnam War was the longest in American history, and challenged naval aviation not only on carrier decks, but along the coasts and rivers as well. Captain T.J. Brown will take a candid look at U.S. naval airpower in Southeast Asia from his adventures as an attack pilot on the USS Hancock from 1971 to 1974 and later experiences on the USS Enterprise and USS Constellation.

Brown will share memories and photos of base locations, the Ho Chi Minh Trail (where the worst targets were) and his fourteen year career as a Naval Aviator, followed by ten years of service in the Naval Reserve. Don't miss this chance to hear firsthand experiences "from the air" during the Vietnam and Southeast Asia conflicts!

Join HMM as T.J. (Jeff) Brown draws on his extensive knowledge to describe the ways in which airpower was employed in the years prior to the fall of the Saigon! Admission is free and includes access to the museum's exhibits.

## *Rickmers-Linie Golf Tournament*

**RICKMERS-LINIE**

**Breakbulk Americas Rickmers-Linie  
Charity Golf Tournament 2013!**

**September 24th**

This year's tournament was held at New Orleans' English Turn, a Jack Nicklaus designed Par 72 Championship Golf Course.

In 2012, over 200 golfers and 10 generous sponsors raised \$14,000 for our museum. At this year's tournament \$13,675 was raised for the Jerry Nagel Scholarship Fund

administered by HMM. The late Jerry Nagel was the Chairman of the Board at Rickmers-Linie (America) Inc. and a long time supporter and board member at HMM. The scholarship program created in his honor will perpetuate his mission of educating youth on the wonder and influence of the maritime industry.

*HMM Chairman of the Board, Niels Aalund being presented with a check for the Jerry Nagel Scholarship Fund.*

**Special thanks to Rickmers-Linie for their continued support and extremely generous donation!**
