HMM Welcomes New Staff Members

Director of Operations & Interim Executive Director

If you have been by the museum lately, you have probably met our new Director of Operations, Kristin Josvoll. Kristin came aboard several weeks ago and has hit the ground running. She is a graduate of Texas A&M University at Galveston with a bachelors' in maritime studies and marine biology, and currently working on her master's from Johns Hopkins University in museum studies. Before coming to HMM, Kristin had interned and volunteered at many other museums in Houston and Galveston, and even crewed on the Elissa at the Texas Seaport Museum. We cannot wait to see all that she has to bring to HMM, and we are thrilled to have her working with us!

Leslie Bowlin, our Capitol Campaign consultant, has been named our Interim Executive Director. She has enthusiastically taken on the new role, and is working diligently to ensure the museum stays in ship shape!
